

# Design your Own Hawaiian Postcard

Imagine you are on a vacation in the Hawaiian Islands and want to send a postcard to a friend or family member.

1. Cut along the dotted line then fold in half so all images are on the outside. Tape or glue the open edges together to create a double-sided postcard.
2. Draw a picture on the front of something you might see or do while on vacation in Hawaii.
3. On the back, describe something special you have done while there.
4. Print the name and address of the person you want to send the postcard to in the space provided.
