## About This Book

Nikki Maxwell is finally settled in at her new school and has found two awesome friends in Chloe and Zoey. Life seems to be looking up for Nikki, especially since her crush, Brandon, asked her to be his lab partner — a seriously awesome development!

Nikki wants to make this year's Halloween dance the best ever so she signs up to help with the clean-up crew. Except, when the entire dance falls on Nikki's shoulders to carry, everything is in danger of falling apart...like uhm, seriously?

Things get even worse when she overhears mean girl Mackenzie bragging that Brandon is taking *her* to the Halloween dance. A bummed Nikki decides to spend Halloween at a kids' party with her little sister, Brianna, instead. The worst part ever? She has to wear a smelly rat costume — compliments of Mackenzie! After she finds out Mackenzie was lying and her dream of going to the party with Brandon could be a reality, Nikki has two events to juggle...plus plenty of other entertaining trials and tribulations along the way!
