### About This Book

*Bullets hit the sand around Danny's bare feet.  
Run! Danny told himself. Faster!  
The roar of the plane got louder.  
Danny fell forward, smashing his face into the hard sand.  
A thundering explosion shook the ground.  
And then Danny couldn't hear anything at all.*

World War II. Amidst the bombs, the smoke, the destruction and human suffering, eleven-year-old Danny Crane is alone on his favourite beach in Hawaii when the only world he has ever known will be torn apart.

History's most terrifying moments are brought vividly to life in the action-packed, fictional *I Survived* series!
