

Booktalk!

The Vampire Stalker Script

For this Book Talk you will need:

- Two female volunteers
- A copy of *The Vampire Stalker*
- 2 chairs
- A newspaper

(Girls walk in from offstage holding copies of The Vampire Stalker and sit down in the chairs)

Amy: Oh my goodness, Katie! I can't believe we FINALLY have our copies of the second *Otherworld* book!

Katie: I know! I've been waiting for this book to come out for forever! *(Flip through pages)* Now I can finally find out what happens to James and Hannah *(big wistful sigh)*.

Amy: Who cares about them? I just want to read about Alexander *(look off lovingly and bat your eyelashes)*. He is soooo dreamy.

Katie: Oh Amy, you are so in love with him! *(Laugh)*

Amy: I can't help it! Can you imagine if he were real? How awesome would that be?

Katie: Oh, right. Like if he just happened to knock on your door one day and confess his undying love for you? Dream on!

Amy: Wouldn't that be nice? But I guess if Alexander were here in real life...Vigo would be too. That would not be good.

Katie: That would be devastating! He would totally terrorize Chicago! No one would be safe...

Amy: I know, right? It's scary to even think about...*(pick up newspaper and gasp)* Katie!! Look at this!

Katie: The front page? What's it say?

Amy: "Two teenage boys found dead last night in downtown Chicago." It says that whoever killed them did it the way a vampire would...bite marks and drained of blood. Bleh. Who'd do something like that?

Katie: Oh, I don't know. Maybe...VIGO?!

Amy: There is no way! ...Is there? *(Both girls look at each other with puzzled looks on their faces)*

Amy and Katie:

Nah!! What are we even thinking?? *(Both girls exit and leave paper behind)*
